Story time continues throughout November.

Feel free to share the newsletter with friends and family and encourage them to sign up by filling out a form at the front desk!

Coming soon, a library card will be needed to access the library's computers.

If you're a Maywood resident without a library card, bring in proof of residency and sign up for your free library card.

If Maywood is not your home town, please register for a library card at the library in the town in which you reside. You can then use it here at the Maywood Library.

This month, the book club will be discussing *Razor's Edge* by W. Somerset Maugham.

"Larry Darrell is a young American in search of the absolute. The progress of his spiritual odyssey involves him with some of Maugham's most brilliant characters - his fiancée Isabel whose choice between love and wealth have lifelong repercussions, and Elliott Templeton, her uncle, a classic expatriate American snob. Maugham himself wanders in and out of the story, to observe his characters struggling with their fates."

Stop by the library to pick up your copy and join us at the book club. All are welcome, even if you didn't finish the book!
